

AMENDED IN ASSEMBLY APRIL 9, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 1175

Introduced by Assembly Member Niello

February 23, 2007

An act to amend Section 1209.5 of the Business and Professions Code, relating to clinical laboratories, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 1175, as amended, Niello. Clinical laboratories: ~~test results.~~
personnel.

Existing law provides for the regulation and licensure of clinical laboratories and clinical laboratory personnel by the State Department of Health Services until June 30, 2007, and thereafter by the State Department of Public Health. ~~Existing law makes a violation of these provisions a crime.~~

Existing law requires a laboratory director or a licensed authorized designee, *who is required to be* appointed by the laboratory director, to establish, validate, and document explicit criteria by which clinical laboratory test or examination results are autoverified, as defined.

This bill would ~~instead require the laboratory director to ensure that laboratory test or examination results are not reported by the clinical laboratory until the results have been critically reviewed and verified, as specified, either by a person authorized to perform those tests or examinations or by autoverification, as specified~~ *specify that an authorized designee may be appointed by the laboratory director.*

~~Because the bill would revise requirements pertaining to clinical laboratories, a violation of which would be a crime, the bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

~~Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: ~~yes~~ *no*.~~

~~State-mandated local program: ~~yes~~ *no*.~~
